Mandatory Provision of Certain Information to Satisfy Sizewise’s Obligations Under FAR 52.219-9

(a) As a federal contractor, Sizewise must comply with FAR 52.219-9 Small Business Subcontracting Plan, which provides certain requirements for a subcontracting plan and reports to be submitted by Sizewise to the federal government addressing its subcontracting efforts with small businesses, veteran-owned small businesses, service-disabled veteran-owned small businesses, HUBZone small businesses, small disadvantaged businesses, and women-owned small businesses as defined in applicable federal regulations.

(b) To assist Sizewise with the accuracy and completeness of its subcontracting plan and any necessary reports, Subcontractor represents and warrants that:

1. It is currently registered as a small business, HUBZone small business concern, small disadvantaged business, veteran-owned small business, service-disabled veteran-owned small business, or a women-owned small business in the System for Award Management (SAM); and

2. Its size and socioeconomic status representations made in SAM are current, accurate, and complete as of the date of the offer for the Subcontract and each date it submits information to Sizewise as set forth in subsection (e) below during the term of the Subcontract.

(c) As an alternative to representing and warranting its status in SAM, Subcontractor agrees to certify in writing (in paper or electronic form) each year and upon request by Sizewise as set forth in subsection (e) below, which certification and any relevant underlying information Subcontractor represents and warrants to Sizewise is and will be current, accurate, and complete to the best of its knowledge on the date(s) when such information is provided, whether Subcontractor:

1. Qualifies as a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto; and/or

2. Qualifies as a HUBZone small business concern, small disadvantaged business, veteran-owned small business, service disabled veteran-owned small business, or a women-owned small business pursuant to then-current and applicable SBA and federal statutes and regulations.

(d) In addition to the information required in subsections (b) and/or (c) herein, Subcontractor shall provide to Sizewise its primary NAICS code, its Dun & Bradstreet number, and the number of employees and any other information Sizewise deems necessary for it to comply with its FAR obligations.

(e) Subcontractor agrees to provide updated information under subsections (b), (c) and/or (d) annually on or before July 1 and periodically upon request by Sizewise. To provide the information requested in this Section [ ], Subcontractor shall complete the then current Subcontractor/Supplier Certification Forms located at www.sizewise.com/legal. If there are any material changes regarding such information or representation(s) that might affect Subcontractor’s size, socioeconomic status, or qualifications as a small business, HUBZone small business concern, small disadvantaged business, veteran-owned small business, service-disabled veteran-owned small business, or a women-owned small business after the date of offer of the Subcontract or after the date of the submission of the forms to Sizewise hereunder, Subcontractor agrees it will inform Sizewise as soon as practicable, but in no event more than thirty (30) days after such information or representation(s) are no longer current, accurate, and/or complete. Failure to provide the forms by the timeframes stated herein shall be deemed a material breach of the Subcontract. Subcontractor shall return to Sizewise the Subcontractor/Supplier Certification Forms as directed on the form.
