Evolution®
Fall Prevention Bed

Evolution is a go-anywhere fall prevention bed with a 9” deck low and 30” deck high for an ergonomic work environment. The bed transports patients in any high or low position. Rest Secure System™ (RSS) comes standard. Combine Evolution with a low air loss surface to provide alternation, pulsation, rotation, or immersion therapy.

— Focus on fall prevention: 9” deck low
— Rest Secure System™ (RSS) includes bed exit alarm, protocol timer, and scale
— Transports in any high or low position
— Evolution Expandable™ accommodates 42” or 48” mattresses

sizewise.com  800-814-9389
1 — The standard Evolution® has a deck low of 9”, the lowest full-feature bed frame. Also available, Evolution Low Boy®, with an industry leading 7.5” low deck.

2 — Optional expandable deck: adjusts from 39” to 42” or 48”

3 — Rest Secure System™ includes bed exit alarm, protocol timer, and scale
