Bari Rehab Platform 2™
Bariatric Med-Surg/ICU Bed

Bari Rehab Platform 2™ (BRP2) is a versatile 1,000 lb. capacity bed which navigates easily from Med-Surg to ICU to Rehab. BRP2 comes standard with an expandable pressure redistribution mattress, but its open architecture flat deck supports most surfaces—Sizewise™ or other brands. Numerous features help patients become actively involved in their care plan.

— Simplified hand control and stand-assist side rails increase patient independence
— Head angle indicator assists with ventilator-associated pneumonia (VAP) protocols
— Optional Power Drive™ for easy navigation
— Available with Hercules Patient Repositioner™
— Low working deck height: 15”
