

Discharge Planning and Support

As your patient is preparing to leave the hospital, be sure they have the right equipment *at the right time*. Sizewise Customer Service is available 24/7/365 to quickly place equipment—whether the patient is discharging to a post-acute facility or directly home. Our bariatric and niche rental solutions support the highest level of care with timely delivery, setup, and training.

Insurance Contracts

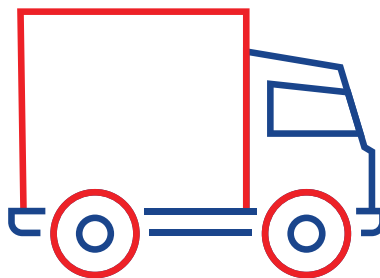

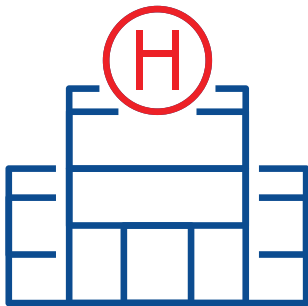

The Sizewise Homecare team works with hundreds of insurance companies nationwide—and is open to working with non-contracted insurance companies, securing Single Case Agreements whenever possible.

Note: *we presently do not have contracts with Medicare or Medicaid. For our most updated Insurance List, see page 2.*

We're Here to Help!

Our team of experts can review your patient's current equipment (Sizewise or other) and make suggestions to place bariatric bed frames, support surfaces, and mobility/personal items in a post-acute or home setting.

Contact Sizewise Homecare directly, and our team will take it from there!
