

Continuum-Ready Rental Options

During times of census surge, hospitals may consider discharges to post-acute facilities or homecare. As a leading provider of rental bed frames, support surfaces, and mobility items, Sizewise is uniquely positioned to support patient needs across the entire continuum of care.

With 65+ branches nationwide and 24/7/365 customer service and delivery, our teams work with discharge planners to ensure that post-acute care is supported by the right equipment, right away.
