March 20, 2020

To Whom It May Concern:

Sizewise is a company that manufactures, rents/sells, and services medical equipment to hospitals and other healthcare facilities across the United States. The continued operation of Sizewise is necessary for delivery and servicing of needed equipment—and vital to our customers' ability to respond to the COVID-19 pandemic.

The bearer of this letter is an employee of Sizewise who is currently performing services essential to the health, safety, and security of the nation—and is therefore exempt from any local, state, and/or federal restrictions on travel or work outside the home imposed in connection with pandemic control measures. Accordingly, as a matter of federal law, you may not prevent, delay, or otherwise interfere with the performance of this individual's duties on behalf of Sizewise.

Further, this work may be considered a response to the *Defense Production Act*, activated under the President's authority on March 20, 2020. Sizewise is a contracted Federal Supply Schedule (FSS) Prime Vendor for the United States Government, and operating to fulfill orders from the Veterans' Administration and other Federal sources.

If you have questions regarding this person's exemption, please contact Jason Pelc, Sizewise Compliance & Safety Manager, at 816-214-1472 or jpelc@sizewise.com.
